Subject: [EXTERNAL]Trump legal defense and leadership PAC

Hi Tim,

Hope you're well. I'm writing a story on the president's new leadership PAC, and the fundraising solicitations that raise money for the PAC and the recount.

I'm wondering—

--Experts who I've spoken to say that President Trump can't spend money out of his PAC on the recounts or other post-election legal proceedings. Does he disagree have a different interpretation, or plan to spend any of the PAC money on the recounts?
-- What are the plans for the PAC – to help candidates? Travel and host rallies?
-- Some are saying it's misleading to raise money for a committee marked on the website as an "election defense fund" if it's going to a leadership PAC, what is the campaign's response to that?

My deadline is 8 p.m. tonight.

Thanks,
Maggie
